

# 20 CULTURE-RELATED

QUESTIONS TO ASK YOUR POTENTIAL HIRES

---

---

These 20 questions are designed to help you understand your interviewees' characteristics and personalities. Based on their responses, you can determine whether they will benefit your team – as a culture fit, a culture add ... or a bit of both!

**NOTE:** 

*Before beginning this process, it's a good idea to be really clear about your company culture. Spend some time reviewing this to ensure all those involved in recruitment are on the same page. It makes it much easier to determine the right fit or add upon hearing their answers to these questions.*

# WORK CULTURE

---

1 Do you know much about our culture? If so, **WHAT?**

2 Which of our **COMPANY ATTRIBUTES** attracted you to apply?

3 What was the work culture like at your previous workplace?  
What did you **LIKE** about it? And what **DIDN'T** you?

4 What do you **VALUE MOST** in a team or co-worker?

5 Describe your **PERFECT** work environment.

# WORK STYLE

---
